Attention Parents!

We're glad your child is coming to Seekers! Our Seekers leaders encourage a positive, loving atmosphere in which spiritual learning can occur. You can play a very important role in your child's progress through each badge as some projects will require your participation.

There are a couple of things to note. Your child will need you to sign at the end of some of the sections. Please sign these sections when your child has completed them. Also, all scripture in these badge materials are quoted from the New International Version.

We hope your child has a great year learning in Seekers!

In reply Jesus said: "A man was going down from Jerusalem to Jericho, when he fell into the hands of robbers. They stripped him of his clothes, beat him and went away, leaving him half dead. But a Samaritan, as he traveled, came where the man was; and when he saw him, he took pity on him. He went to him and bandaged his wounds, pouring on oil and wine. Then he put the man on his own donkey, took him to an inn and took care of him. The next day he took out two silver coins and gave them to the innkeeper. 'Look after him,' he said, 'and when I return, I will reimburse you for any extra expense you may have.'"

Luke 10:30, 33-35

There are lots of times we can help others, and it is important to know how. Everyone can be prepared to give help when it is needed. Not only can you help others, but you can help yourself.

Accidents do happen no matter how hard we try to prevent them. But when they do, we are to remain calm, cool, and call someone, if needed.
